#### PETITIONS AND MEMORIALS.

By Senator Adams:

The following letter, numerously signed by the citizens of Mills county:

Goldthwaite, Texas, Aug. 18, 1911.  
Hon. W. N. Adams, Austin, Texas.

Dear Sir: It appears that Mills county is about to be placed in a Senatorial District with a number of counties to the west and southwest.

We would prefer to be in the Eighteenth, with Bell, Lampasas, etc., as we have more in common with those counties, or in the district north of us—Brown, Comanche, etc.

We note, however, that the population of Districts Nos. 18, 26 and 27 is quite equally balanced, and it may be difficult to change our county without shifting some other county.

We will suggest that Mills and Burnet are of about equal population, and that Burnet could be taken from the Eighteenth and placed in the Twenty-sixth, and Mills from the Twenty-sixth and placed with the Eighteenth. This would leave the districts all right as to population and in compact shape.

Burnet county is now with Llano, Mason, San Saba, Menard and Gillespie counties in judicial district, and it would probably suit them better to be associated with them in the Senatorial district.

We will thank you to give the matter careful consideration and to secure the change for us, if you can do so without conflicting too much with the wishes of others.

(Senator Real in the chair.)

Senator Collins offered the following amendment:

Amend Senate bill No. 17 by striking out all after the enacting clause, and insert in lieu thereof the following:

Section 1. Eight hours shall constitute a day's work for all mechanics, workmen, laborers or other persons now employed or who may hereafter be employed by or on behalf of the State of Texas, or by or on behalf of any county, municipality or other legal or political subdivision of said State, county or municipality in any one calendar day.

Sec. 2. All contracts hereafter made by or on behalf of the State of Texas, or by or on behalf of any county, municipality or other legal or political subdivision of said State, county or municipality with any corporation, persons or association of persons for the performance of any work or the furnishing of any materials manufactured in the State of Texas shall be deemed and considered as made upon the basis of eight hours constituting a day's work, and it shall be unlawful for any such corporation, person or association of persons to require or permit any such mechanic, workmen, laborers or other persons to work more than eight hours per calendar day in doing such work or in manufacturing such materials except in case of extraordinary emergency, which may

arise in times of war, or in cases where it may become necessary to work more than eight hours per calendar day for the protection of property, human life or the necessity of housing inmates of public institutions in case of fire or destruction by the elements; provided, that in all such cases of emergency, the mechanics, workmen, laborers or other persons so employed and working to exceed eight hours per calendar day shall be paid on the basis of eight hours constituting a day's work; provided further, that for the same or like character of work not less than the current rate of per diem wages in the locality where the work is being performed shall be paid to the mechanics, workmen, laborers or other persons so employed by or on behalf of the State of Texas, or any county, municipality or other legal or political subdivision of said State, county or municipality, and every contract hereafter made for the performance of work for the State of Texas, or for any county, municipality or other legal or political subdivision of said State, county or municipality must comply with the requirements of this section; provided, that nothing in this Act shall affect contracts in existence at the time of the taking effect of this Act; provided, that nothing in this Act shall be construed to affect the present law governing State and county convict labor while serving their sentences as such.

Sec. 3. Any person, or any officer, agent or employe of any person, corporation or association of persons, or any officer, agent or employe of said State, county, municipality or any legal or political subdivision of said State, county or municipality, who shall fail or refuse to comply with the provisions of this Act or who shall violate any of the provisions of this Act, shall, on conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine of not less than fifty dollars (\$50.00) nor more than one thousand dollars (\$1000.00), or by imprisonment not to exceed six months, or by both such fine and imprisonment.

Sec. 4. The fact that there is no adequate law now upon the statute books defining what constitutes a legal calendar day's labor, and regulating the hours of labor upon public work, and the further fact that many

laborers are required to labor for an excessive number of hours in one day without intermission, to the material injury of their constitutions and health, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be and the same is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Any company or corporation organized or chartered under the laws of this State for the purpose of constructing, operating and maintaining water works and furnishing water to any town or city or the inhabitants thereof shall have and is hereby given the same rights and power as are herein given to incorporated cities or towns to condemn any private land in this State reasonably necessary to its use for the construction of water works plants and pumping stations, the laying of water mains or pipe lines, the construction of wells or supply reservoirs or stand pipes for water works, and such land as is reasonably necessary upon which to construct, use and occupy as a place to maintain and operate such water works plant, reservoirs or stand pipes for water works, together with a right-of-way for ingress and egress thereto, provided that such water works plant and supply reservoirs shall not be constructed, maintained or operated in such proximity to any resident or business section of such town or city as to interfere with the comfort or convenience of the inhabitants thereof. Upon the filing of the statement provided for in this article it shall be the duty of said judge, in term or vacation, to appoint three disinterested free-holders and qualified voters of the county as special commissioners to assess the damages to accrue to the owner thereof by reason of such condemnation and appropriation of the private property herein provided for. The commissioners so appointed under this article, shall, in the proceedings herein authorized, be governed by the law now in force relating to the condemnation of the right-of-way for railroad companies, the assessment and measure of damages, the right of appeal and the like, the city, town, company or corporation occupying the position of the railroad company; provided, however, that no company or corporation other than a town or city, shall have the right under the provisions of this Act to condemn for the purposes herein stated, the water of any natural running stream or spring within this State. And that all laws and parts of laws in conflict with the provisions of this Act, in so far as relates to the condemnation of property for the purposes above

stated, be and the same are hereby repealed.

Sec. 2. The fact that there is now no adequate law authorizing or empowering incorporated cities and towns under the laws of this State to condemn private property, including the water of any natural running stream or spring, for the construction and maintaining of water works plants and water supply reservoirs when deemed necessary or beneficial to preserve the public health, nor authorizing and empowering incorporated cities and towns to condemn private property for establishing and maintaining sewers and the acquirement by condemnation proceedings of lands upon which to empty sewerage and to erect vats and other necessary appliances for the disposition of such sewerage, and the further fact that many incorporated cities and towns are compelled under the present law to refrain from the use of such sewers by reason thereof, creates an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this Act go into effect immediately after its passage, and it is so enacted.

Hon. A. B. Davidson, President of the Senate.

Sir: We, your Judiciary Committee No. 2, to whom was referred House bill No. 27, have had the same under consideration and beg leave to report same back to the Senate with the recommendation that it be passed, and be not printed.

WATSON, Chairman.

H. B. No. 27. By Standifer.

A BILL  
To Be Entitled

An Act to amend Section 6, Chapter 68, of the General Laws of the Thirty-second Legislature, passed at the Regular Session thereof, being "An Act to provide for the protection of the fish and oysters within tidewater limits along the Gulf coast of this State, from the most interior point of tidewater seaward, co-extensive with the jurisdiction of the State, and the fish in such fresh water lakes inland as may be owned by the State; and to provide for the sale and protection of all marl and sand of commercial value and all shells or mudshell that may be in or upon the bottoms of any lake, bay or shallow water, and in or upon all islands, reefs and bars that may be within the limits herein defined; and the placing of said islands, lakes and bays, and the shells, or mudshell, sand and marl that may be in or upon the said bottoms or in or upon the said islands, lakes, bays, reefs and bars under the jurisdiction and control of the Game, Fish and Oyster Commissioner for the purpose of selling and protecting the said shells, or mudshell, marl and sand; and providing that the proceeds arising from the sale of said shells, or mudshell, marl and sand, shall be credited to the fish and oyster fund, and may be expended in the execution of this Act, and in establishing fish hatcheries on the coast or elsewhere and in locating oyster beds, and reserving fresh water lakes from sale, and providing penalties for the violation of this Act, and appropriating to certain funds the proceeds from sale and fines arising under this Act, and declaring an emergency." Providing for reducing the minimum price which may be charged for shell, mudshell, marl and sand, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That Section 6 of Chapter 68 of the Acts of the Regular Session of the Thirty-second Legislature is hereby amended, so that it shall hereafter read as follows:

Section 6. The Game, Fish and Oyster Commissioner, by and with the approval of the Governor, may sell the marl, sand and shells or mudshell included within this Act upon such terms and conditions as he may deem proper, but for not less than four cents per ton, and payment therefor shall be made to said Commissioner. The proceeds arising from such sale shall be transmitted to the State Treasurer and be credited to the fish and oyster fund, and may be expended by the said Commissioner upon itemized accounts sworn to by those performing the service or furnishing the material and approved by said Commissioner. The said accounts shall be filed with the Comptroller of Public Accounts, and he shall draw a warrant therefor upon the State Treasurer.

Sec. 2. The fact that the price of marl, sand and shell, or mudshells on the coast cannot be readily sold at the present price, but can be sold in large quantities at a reasonable price, and because of the excessive price, the people will not purchase such material, creates an emergency and an imperative public necessity exists that the constitutional rule, requiring bills to be read on three separate days in each House, shall be suspended, and that this bill be placed upon its third reading and final passage, and take effect from and after its passage, and it is so enacted.

Committee Room.

Austin, Texas, Aug. 22, 1911.

Hon. A. B. Davidson, President of the Senate.

Sir: Your Committee on Judiciary No. 1, to whom was referred Senate bill No. 29, have had the same under consideration and I am instructed to report same back to the Senate with the recommendation that it do pass, and be not printed, but be printed in the Journal.

Be it enacted by the Legislature of the State of Texas:

That Chapter 42, of an Act of the Twenty-ninth Legislature entitled "An Act to prohibit the granting for use for railway or other purposes of any part of the tract of land in the city and county of Galveston, Texas, acquired by that county or the commissioners' court thereof for sea wall purposes," be, and the same is hereby amended so as to hereafter read as follows:

Section 1. Be it enacted by the Legislature of the State of Texas, that no corporation, person or association of persons, shall be granted or exercise any rights, privileges or franchise for construction or operation of any railway, whether by steam, electric, cable, horse or other power, nor shall any corporation, person or association of persons be granted any right, leasehold, privilege or franchise for any purpose or purposes other than a public walk, public driveway or public park, along or upon or across any part of that tract of land situated in the city and county of Galveston, in the State of Texas, which was acquired by said county or commissioners' court thereof for sea wall purposes under the authority of an Act passed at the First Called Session of the Twenty-seventh Legislature of the State of Texas, and approved by the Governor, September 7, 1901, entitled 'An Act to give effect to Section 7, Article XI, of the Constitution, authorizing all counties and cities bordering on the coast of the Gulf of Mexico to construct sea walls and breakwaters, to issue bonds therefor, and levy a tax for the payment thereof; and to further provide for construction and maintenance of said works, and payment of said bonds by

sale or rent of lands reclaimed from the sea or otherwise acquired for breakwater purposes,' and it shall also be unlawful to allow the possession, use or occupancy in any manner whatever of any part of said tract of land for any purpose whatever other than a public walk, public driveway or public park, and any action upon the part of the county commissioners' court of Galveston county, or any other court or body, or official or officials, in attempted contravention of this Act shall be void and of no effect.

Section 1a. Nothing in the foregoing section of this Act shall be construed to prohibit the county of Galveston or the county commissioners' court of said county from conveying or leasing, and it is hereby expressly empowered to convey or to lease for a period of ninety-nine years or less, to the Board of Regents of the University of Texas on behalf of the State of Texas, any or all of that part of the land acquired for sea wall and breakwater purposes, which lies to the north or northwestward of the north line of Avenue B, in said city, to be used for hospital purposes in connection with the John Sealy Hospital.

Sec. 2. All laws or parts of laws in conflict herewith are hereby repealed.

Sec. 3. The fact that the Act which is hereby amended denies the county of Galveston any right to use or grant the right of use of any of the land acquired by it for breakwater purposes, for hospital purposes, the great importance to the public for the use of a part of said land for such purposes, creates an emergency within the meaning of the Constitution and the rule requiring bills to be read on three several days is hereby suspended, and this Act shall be effective from and after its passage.

Following is the bill in full:

S. B. No. 39.

By Sturgeon and  
Terrell of Wise.

A BILL  
To Be Entitled

An Act to create a Commission of Abitration and Award and define the powers and duties thereof, and

to make an appropriation to pay salaries of the judges thereof, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas.

Section 1. A Commission of Arbitration and Award to consist of three persons learned in the law, to be selected by the judges of the Supreme Court of Texas, who shall hold office for two years from and after their appointment and qualification, and shall receive for their services the same salaries as the Judges of the Supreme Court of the State of Texas, be and the same is hereby created; to be styled "The Commission of Appeals of the State of Texas." In case of a vacancy on said Commission by death or resignation of any member thereof, it shall be the duty of the Supreme Court of Texas to fill the same by election, and the person so elected shall continue in office during the unexpired term of the Commissioner that he succeeded, or until his successor is legally qualified.

Sec. 2. That in addition to the powers and duties now conferred, the Supreme Court of the State of Texas is hereby empowered to, and authorized to refer to the Commissioners of Appeals any civil case or cases now or hereafter pending before said Court for examination, and report thereon. And it shall be the duty of the said Supreme Court, in order to relieve the docket of said Court of the great number of cases now encumbering it from time to time, to refer to said Commissioners of Appeals, so many of said cases now or hereafter pending in said Court as may be reasonably considered, and acted upon by same, at the several sessions thereof, having respect in such reference to the length of time such cases may have been pending, as well as to promote an early disposition of the docket.

Sec. 3. When said Commissioners of Appeal have considered and determined upon the proper disposition of any case referred to the same under Section 2 of this Act, their opinion shall be submitted, together with a brief synopsis of the case, to the Supreme Court, and the record shall be returned therewith. The report so made may be used by the Court to facilitate it in reaching a conclusion upon the law and facts in the case.

Section 4. The opinions of said Commissioners of Appeals in cases referred to them by the Supreme Court, when adopted by said Court, shall be published as the opinions thereof as in other cases.

Sec. 5. That in cases referred to the Commissioners of Appeals under this Act the papers thereof shall not be refiled in said Commission, and only such additional costs as may be essential to carry into effect the provisions hereof shall be incurred by the parties to such cases by reason of the reference thereof.

Sec. 6. The accumulation of business on the docket of the Supreme Court is so great as to improperly retard the administration of justice and this with the fact that this session of the Legislature is drawing to a close may jeopardize, for want of time, the passage of this Act, creates an imperative public emergency for the immediate passage of this Act, and that the constitutional rule requiring bills to be read on three separate days be suspended as a public necessity requires this Act to take effect and be in force from and after its passage and it is so enacted.

Senate Chamber,

Austin, Texas, Aug. 22, 1911.

Hon. A. B. Davidson, President of the Senate.

Sir: We, your Judicial Committee No. 2, to whom was recommitted Senate bill No. 42, with instructions, same being "An Act making it a misdemeanor to draw any checks, drafts or order upon any bank when the maker thereof has not funds on deposit with which to redeem same, and providing a penalty," have had the same under consideration, and beg leave to report the same back to the Senate with the recommendation that it be passed, and be not printed, but that the bill in full, together with hereinafter amendment set out in full, be printed in the Journal of this date.

WATSON, Chairman.

Amend bill by striking out all after Section 1 and insert the following:

Section 1. Any person who shall fraudulently draw or give any order, draft or check upon any bank, person, firm or corporation, with which or whom, such person has not, at the time of such giving or drawing,

funds on deposit sufficient to pay such check, draft or order, and who shall, by means of such check, draft or order, acquire any money or other thing of value, from any person, firm or corporation, or the agent or employee of any person, firm or corporation, with intent to deprive the owner of the value of such money or thing of value, shall be deemed guilty of an offense against the laws of Texas, and upon conviction shall be punished as follows: If the value of the money, or property so acquired shall be fifty dollars or more, such person so acquiring same, shall upon conviction, be punished by confinement in the State Penitentiary for a period of not less than two years nor more than ten years. If the value of the money or property so acquired be less than fifty dollars, such person so acquiring same shall, upon conviction, be punished by fine of not less than ten dollars nor more than five hundred dollars, or by imprisonment in the county jail for some time not less than ten days nor more than ninety days or by both such fine and imprisonment.

Sec. 2. The fact that there is now no law upon the subject and the further fact that bogus checks are constantly being drawn and circulated in this State to the great injury of her citizens, and the near approach of the end of this session creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be and the same is hereby suspended and that this Act take effect and be in force from and after its passage and it is so enacted."

S. B. No. 42.

A BILL  
To Be Entitled

Be it enacted by the Legislature of the State of Texas:

Section 1. That any person or persons who shall hereafter draw any check, draft or order upon any bank, person, firm or corporation, with which or whom said person or persons has not at the time said check, draft or order is drawn, sufficient funds on deposit to pay said check, draft or order, and shall thereby obtain from such bank, person, firm or corporation, money or other thing of value, shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than ten dollars (\$10.00) nor more than one hundred dollars (\$100), or by imprisonment in the county jail not less than ten days nor more than ninety days, or by both such fine and imprisonment; provided that said person or persons giving such check, draft or order shall have thirty days from the date thereof in which to pay or discharge the same before any prosecution shall be instituted, and provided that this Act shall not apply to persons making overdraft on any bank or depository where arrangements for such overdraft have been made prior to the giving of such draft or order.

Sec. 2. The fact that there is now no law giving relief from the deplorable conditions that now obtain throughout the commercial world of the State, because of the abuse of the system, this Act seeks to prevent, creates an imperative public necessity that the constitutional rule requiring that bills be read on three several days be suspended, and that this bill be in force and take effect immediately upon its passage, and it is so enacted.
